Could you please answer the following questions? Are you currently a member of Home School Legal Defense Association (HSLDA)? **Yes / No** If yes, is your membership an individual membership, or did you join through a group? (Please indicate which group.)

If you have an individual membership or a membership through another group, would you be willing to switch your membership to our group? **Yes / No** Joining with a group entitles each family to join for a reduced yearly rate (instead of the individual family). Joining or switching your membership to the SELAH group helps us to maintain our group discount status.
