

STUDENT/PARENT CONTRACT WITH SELAH

Please read, sign, and return to SELAH by August 15, 2010. Each student in a family must sign his/her own contract.

STUDENT: I agree to take responsibility for my own education. I will come to class prepared and complete assignments on time. If I miss a class, I will contact my instructor for the assignments and see that they are completed in a reasonable amount of time. I will keep my parents informed of my assigned work for SELAH. I agree that SELAH classes will be a priority in my home education program.

I will respect all staff and students of the SELAH Learning Center. I will also take care of the property of both SELAH and Faith Community Assembly of God Church.

I have read the SELAH student handbook and will abide by the rules and guidelines explained in it.

Student's Signature _____ Date _____

PARENT: I agree to oversee my child's work, encouraging them to do their best. I will offer oversight and guidance, but let my child do his/her own work. I will make sure that my child has completed their assigned work, and will also make sure they arrive for class on time. I will make every effort to have my child attend class every week. I will make the work assigned for SELAH classes a priority in my home education program. I realize that this is my responsibility as the supervisor of my homeschool.

I will instruct them in appropriate "classroom etiquette" and the proper behavior when in a church facility.

I will fulfill my obligation to SELAH to help with the physical operations of the Learning Center. I also understand that, in order for SELAH to meet its financial obligations, each family needs to pay their financial obligations in a timely manner.

I have completely read the SELAH Student Handbook and am aware of the policies and procedures of the SELAH Learning Center and will make sure my child understands his/her responsibilities. I agree to abide by the guidelines set forth. I understand SELAH Learning Center is not responsible for any misunderstandings or misinterpretations on my part. I will also read all information I receive from SELAH and will make all payments by the dates due.
