

FAMILY WORK RESPONSIBILITIES AND FINANCIAL AGREEMENT

Part of a family's obligation to the SELAH Learning Center is to fulfill their family work responsibilities. Families may choose to "buy out" of this obligation by financially reimbursing the Learning Center for their work commitment. Please indicate below your preference. Families who agree to do the work obligation but do not complete the appropriate work assignments will be billed for the uncompleted assignments. Any family who is unable to fulfill their commitment on a specific date is responsible for finding a replacement and compensating them accordingly. Families who do not find a replacement when they are unable to fulfill their obligation will be billed the amount of a buy-out for the date missed plus an additional inconvenience fee.

_____ I am willing to help the Learning Center by completing an appropriate number of work duties. I understand that sign-ups for these jobs will begin as registrations are received. Anyone not signing up prior to the beginning of classes will be asked to do so on the first day of Learning Center.

_____ I prefer to use the "buy out" option. Please bill me for the appropriate number of work duties.

Registering your child/ren for classes at the SELAH Learning Center also indicates that you are committed to meeting your financial obligation to the Learning Center. We are willing to work with you to find a plan that fits your family budget. On your application you indicated the payment option which you prefer. Should you find, during the course of the year, that this payment option will not work for you, please contact SELAH immediately to discuss an alternate plan. Failure to work out a plan agreeable to both the SELAH Learning Center and the family may result in students being dropped from classes and/or late fees.

As acknowledgment of your commitment to fulfill these obligations, please read and sign the statement below.

I have read and understand the above information. I, hereby, agree that I will fulfill all my financial and family work obligations to the SELAH LEARNING CENTER within the calendar school year for the SELAH Learning Center. If for any reason I cannot fulfill my financial obligations within the schedule originally agreed to, I will contact the SELAH Learning Center to work out an acceptable alternate payment schedule to meet my obligations. I understand that, should I not fulfill my obligations, SELAH may drop my children from classes, charge late fees, and/or contact a collection agency.
